PRODUCT INFORMATION

ENGINE

Powering the Scrambler is a unique version of Triumph's 865cc parallel-twin. Designed outwardly to look like a classic 1960s twin, this DOHC eight-valve unit is a low maintenance modern engine developed to meet the most stringent emissions regulations. The fuel-injected twin delivers a laid back 58bhp, with 50 ft.lbs of torque at just 4750rpm making the Scrambler a breeze to ride in all conditions. With its 270- degree crankshaft, the Scrambler takes on a totally different character to the other models in Triumph's classic range, producing a totally addictive off-beat soundtrack.

CHASSIS

Strong tubular steel cradle frame with supple front and rear suspension. Built tough to iron out the bumps. High, wide handlebars and high set footpegs further aids control.

STYLE

Classic styling dominated by the twin high-level exhausts, designed to provide maximum ground clearance on rough terrain. Spoked wheels with lightly knobbled tyres, high footrests, rugged fork gaiters and wide off-road style handlebars give a further nod to the Scrambler's off-road heritage.

SPECIFICATIONS

ENGINE AND TRANSMISSION

Type	Air-cooled, DOHC, parallel-twin, 270° firing interval
Capacity	865cc
Bore/Stroke	90 x 68mm
Fuel System	Multipoint sequential electronic fuel injection with SAI
Exhaust	High level stainless steel headers with twin chromed silencers
Final Drive	X ring chain
Clutch	Wet, multi-plate
Gearbox	5-speed
Oil Capacity	4.5 litres (1.2 US gals)

PERFORMANCE

(Measured at crankshaft to 95/1/EC)

Maximum Power	59PS / 58bhp / 43kW @ 6800rpm
Maximum Torque	68Nm / 50ft. lbs @ 4750rpm

CHASSIS, RUNNING GEAR AND DISPLAYS

Frame		Tubular steel cradle
Swingarm		Twin-sided, tubular steel
Wheels	Front	36-spoke 19 x 2.5in

OUR WORK EXTENDS FAR BEYOND THE FACTORY GATES

We're proud of the bikes we build. We're proud of the materials we use and the people who turn our ideas into reality. It's simple. If it doesn't meet our exacting standards, we won't put our name to it. We test every component in every condition. Every single part and accessory goes through a rigorous assessment programme to simulate the very worst you can throw at it, and then some more. Hot or cold, rain or shine, one-up or two, we go to the limit to give you the best. Our confidence provides you with a two-year, unlimited mileage warranty on your new Triumph and Genuine Accessories. Alongside the knowledge that we give you a 12-month, unlimited mileage warranty on replacement parts. Our parts service is faster and more efficient than any other – we even supply parts for Triumphs dating back to 1991. If you want the best for your bike, you want Triumph Genuine Parts. And with Castrol now proudly installed as worldwide oil partner – you can be guaranteed the absolute best care for your engine.
